(hereinafter referred to as “MiraiCure”, “we”, “our” or “us”), the operator of a platform that gives you, (hereinafter referred to as “you”, “your” or “User”), access to our free health companion, symptom assessment utility and any related services. Our health companion offers many features such as the following: symptom checker together with personalized health information, symptom tracking functionality, and access to our medical database (“Medical Library”) powered by MiraiCure’s unique artificial intelligence system.

1.2. The health companion is available as an app for free download via your mobile device (hereinafter called the “MiraiCure App”), and (when and where available) via our web-based application (hereinafter called the “Website”). The Website, the MiraiCure App and the Screening Tool, including any software, services or other technology the Website, the MiraiCure App and the Screening Tool are respectively based upon, are hereinafter called the “MiraiCure Platform”.

PLEASE NOTE THAT THE MIRAICURE PLATFORM DOES NOT MAKE ANY MEDICAL DIAGNOSIS ITSELF. THE APP USES MIRAIMIND WHICH IS AN AI ENABLED SYSTEM TO FIND THE POTENTIAL DISEASES. AFTER THE INITIAL DIAGNOSIS, THE REPORT IS SENT TO THE HEALTHCARE PROFESSIONAL.

PLEASE SEEK THE ADVICE OF A MEDICAL PROFESSIONAL IF YOU ARE CONCERNED ABOUT YOUR HEALTH. IN CASE OF AN EMERGENCY, YOU SHOULD CONTACT THE EMERGENCY SERVICES IMMEDIATELY. ALWAYS CONSULT YOUR DOCTOR OR ANOTHER QUALIFIED HEALTH CARE PROVIDER IMMEDIATELY IF YOU HAVE ANY QUESTIONS REGARDING ANY MEDICAL ISSUES. YOU SHOULD NEVER DISREGARD A DOCTOR'S PROFESSIONAL ADVICE OR CANCEL AN APPOINTMENT WITH A DOCTOR BECAUSE YOU ARE RELYING ON INFORMATION YOU HAVE READ OR HEARD IN THE MIRAICURE PLATFORM.

1.3. The MiraiCure Platform is operated by MiraiCure Health India Pvt. Ltd., a company founded in India and registered with the Registrar of Companies under the Corporate Identification Number (CIN) U24304MH2024PTC130075, with its registered office in Mumbai, Maharashtra.

1.7. Contract languages are English only.

2. The legal relationship between you and MiraiCure

2.1. These Terms and Conditions apply to the use of the MiraiCure Platform and contain the terms governing your use of the MiraiCure Platform. It is important that you have read and understood the present Terms and Conditions in conjunction with our Privacy Policy before using the MiraiCure Platform. For that reason, any of your Personal Data generated by the use of the MiraiCure Platform will only be collected, stored and processed by us in compliance with the General Data Protection Regulation 2016/679 of April 27th, 2016 (“GDPR”) and the Digital Personal Data Protection Bill 2023 issued by the Ministry of Electronics and Information Technology (Government of India). You acknowledge and accept that we own all right, title and interest in and to any data derived by us from such anonymized data.

4. The MiraiCure Platform

4.1. The MiraiCure Platform offers you the opportunity to find out what might potentially be causing your health issues. The MiraiCure Platform uses an AI-ML powered engine based on a medical knowledge base to suggest possible causes for your symptoms (hereinafter referred to as the “Assessment Report”).

4.2. The MiraiCure Platform is provided to you free of charge, however the access to some features is restricted. Users subscribing to any of the paid subscription plans (either on an annual or monthly basis) get full access to the product features as per the plan, and are allowed to run an unlimited number of symptom assessments and Assessment Reports.

4.3. Please be aware that we provide the MiraiCure Assessment Platform solely for information purposes. It is not a replacement for medical consultation. The MiraiCure Platform is not a suitable substitute for medical advice obtained from your doctor, general practitioner or other health service provider. You should not rely on the assessment of the MiraiCure AI service and must wait for the healthcare professional to check your Assessment Report and give an action plan before taking any steps.

4.4. The MiraiCure Platform does NOT provide diagnoses for medical conditions, nor does it prescribe how you are to treat any medical issues you may have. This can only be done by consulting a medical professional (such as a general practitioner), either through the app or from your own sources.

4.5. Ultimately, if you do have any medical issues related to the information that you entered into the MiraiCure Platform, you are responsible for whether or not you decide to consult a medical professional and/or seek medical advice.

5. Creating a User account

5.2. After downloading the MiraiCure App (or accessing the web-based application on our Website) you can register with the MiraiCure Platform by setting up a User account with a username and password (hereinafter referred to as “User Account”). Registration constitutes a binding offer of the User to be bound by these Terms and Conditions. We may (but are not obliged to) accept this offer by enabling access to the MiraiCure Platform for the first time via the User Account. We will send you confirmation of registration electronically. By using, accessing or otherwise utilizing the MiraiCure Platform EVEN IF YOU DO NOT SET UP A USER ACCOUNT, you accept, acknowledge and avail yourself to these Terms and Conditions.

5.3. We will save the contractual text of the agreed Terms and Conditions. Beyond this, we do not assume any obligation with regard to the availability of the agreed terms to the User.

5.4. We advise our Users to only use 'strong' passwords for their User Account (strong passwords are passwords consisting of a combination of numbers, both upper and lower case letters, and symbols). When you register your User Account or provide us with other information, you are also declaring that the information provided to us is correct and complete. In the event of any change in the information later on, you declare that you will promptly notify us of such changes by updating the information.

In particular, you are obliged to collect applicable consent from that person and inform them about our Terms and Conditions and Privacy Policy.

6.2. We grant you the right to personally access and use the MiraiCure Platform. You are prohibited from transferring this right to anyone else, or to sell, give away or transfer your User Account to anyone else. Your right to access the MiraiCure Platform does not preclude us granting other persons the right to access the MiraiCure Platform.

6.3. Your right to use the name "MiraiCure" or any trademarks, logos, domain names or other characteristic trademarks whatsoever is limited to the scope defined in these Terms and Conditions.

6.4. 6.6. You are aware that we, and/or the persons who have granted us a license in this respect, are entitled to any confidential information, rights of use, of exploitation and of recovery – and any other intellectual property rights fully or partially existing – regarding the MiraiCure Platform.

6.7. Feedback/surveys. If you provide feedback, ideas or suggestions, or if you reply to surveys in connection with our Services (hereinafter referred as the “Feedback”), you acknowledge that the Feedback is not confidential and that you grant us a worldwide, non-exclusive, irrevocable, perpetual, royalty free and unlimited license to use your Feedback in any way, for any purpose, and through any medium or technology now known or unknown, whether in whole or in part, and whether as modified or unmodified. We will always use your Feedback in compliance with those Terms and Conditions, our Privacy Policy and any other applicable laws.

8. Termination of our contractual relationship

8.1. In the event that you feel that you can no longer agree to the present Terms and Conditions or the Privacy Policy, at any time, you agree to stop using the MiraiCure Platform immediately.

8.2. You are entitled to stop using the MiraiCure Platform at any time and to terminate your agreement with MiraiCure, including if you do not agree with the changes to the MiraiCure Platform or these Terms and Conditions we proposed. Please follow the instructions on the MiraiCure Platform to deactivate your User Account. If you access the MiraiCure Platform via the MiraiCure App, you can delete your User Account via the settings menu.

8.3. If we choose to terminate your agreement with us we will provide you with two weeks' notice.

8.4. Either party's right to terminate the agreement for cause remains unaffected. Cause that entitles us to terminate the agreement may be, in particular but not exclusively, your violation of the material contractual provisions (in particular paragraph 7.2) and if, due to external circumstances, it can be assumed that you are making improper use of our services. If good reason exists, we are furthermore authorised to block your access to the MiraiCure Platform, without any notice, and provided that no other less severe measure is effective.

8.5. If you or we deactivate your User Account as described in this paragraph or withdraw your right to access the MiraiCure Platform, we will delete any Personal Data stored about you in accordance with our Privacy Policy (and as stipulated in the applicable statutory provisions), provided that our rights to use such data in anonymized form pursuant to section 3.2 remains unaffected. You also lose the right previously granted to you to access the MiraiCure Platform.

9.1. Any information on the symptoms stated by you that is made available to you in text form via the MiraiCure Platform – as a statement made, or by inference, for information purposes only. The information is made available by MiraiCure as is, without warranty, guarantee or representation of any kind.

9.2. You should not take any action based on the information provided in the MiraiCure Platform without consulting a doctor or other medical professional first.

9.3. Due to the nature of the internet and the given technology, we are unable to promise that you will be able to use the MiraiCure Platform at all times without any interruption and without delay or

faults, and that the MiraiCure Platform will at all times meet your expectations. We can therefore assume no obligation with respect to the performance or availability of the MiraiCure Platform in these present Terms and Conditions. We expressly exclude any strict liability that may be applied by enforcement of law due to defects of the MiraiCure Platform existing at the time the agreement on the use of the MiraiCure Platform between you and us was concluded.

9.4. Should you incur any damage through the use of the MiraiCure Platform, we may only be held liable for intent and gross negligence. We may furthermore be held liable for the negligent breach of material contractual obligations, which must be met in order for this agreement to even be properly executed, and the violation of which will jeopardise the purpose of the agreement and which you, the User, should in regular cases be able to trust will be fulfilled. In the latter case, we may however only be held liable for calculable damages. We may not be held liable for violation by simple negligence of any obligations other than those specified in the preceding sentences. 11.2. We reserve the right to change a specific aspect of a specific feature by updating the MiraiCure Platform, resetting that feature and suspending the service or support for that feature. These changes may affect your activities on the MiraiCure Platform. Changes may include the removal, modification or reset of the features you use. We will inform you of the changes and your rights in the case of changes by separate notification, to the extent you have signed up for such notifications (see paragraph 12.3.).

11.3. Updates may be released from time to time by us or via the App Store where you downloaded the MiraiCure App. From time to time, to be able to use the MiraiCure Platform, it may be necessary for you to update third-party software.

12.3. We will contact you to notify you of any changes or additions to these Terms and Conditions at least 30 calendar days before any changes or additions to these Terms and Conditions take effect. If you do not object within 30 days of receipt of notice, such changes and additions will be regarded as effective and agreed upon from the deadline onward. We will inform you of your right of objection and the consequences of the objection in our notice of changes to the Terms and Conditions. If, in the event of your objection to the amendment within the agreed timeframe, it is legally, economically or technically unreasonable for us to continue the provision of the MiraiCure Platform, we are entitled to terminate the agreement no earlier than the effective date of the amendment set forth in the notification. Any other right of termination remains unaffected.

13. Documents governing the contractual relationship between you and us

The current version of the Terms and Conditions includes all provisions governing the contractual relationship between you and us. Older versions of the Terms and Conditions no longer apply to our contractual relationship and are entirely replaced by the current version. If you are a subscribed

15.5. Only the contracting party itself has the right to enforce contractual provisions.
